

*Giving
Review*
2023 & 2024

We are grateful. . .

Celebrating
30
Years

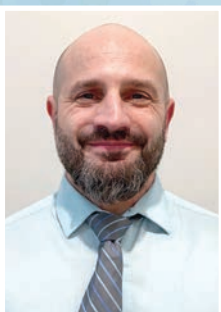

Liz Murphy
*Chair,
Foundation
Board of Directors*

Celebrating 30 years in 2024, The Laurel Lake Foundation has promoted charitable giving to support services and amenities that enhance the quality of life for Laurel Lake residents, their families, and our valued employees. Wellness programs, campus improvements and staff education are just a few of the innovative programs and services that the Foundation supports. Some of the projects we choose could have become part of a future Operating Budget; however, when we choose a project, it happens in a more timely manner.

David Oster
*CEO, Laurel Lake
May 2005 - February
2025*

People support The Laurel Lake Foundation for a variety of reasons. Some give as an expression of gratitude for the care of a loved one. Others want to make a difference by supporting innovative programs and needed services. Still others find charitable giving an effective strategy to minimize taxes, increase income, and leave a legacy of compassion and caring. Whatever your reason for giving, The Laurel Lake Foundation can help you achieve your charitable and financial goals in a way that will truly make a difference.

Tony Berardi
*CEO, Laurel Lake
March 2025 - present*

The Foundation has undergone a number of changes (may I say upheaval) since summer of 2023. Tony Fitzgerald was Chairman, and under his guidance and with your generous donations, the Foundation established an endowment, which today reaches just over \$5 million. At the same time, Tony realized that our Foundation was far too much on operating expenses than was fiscally responsible. The Foundation had very successful events but was spending closer to 50 cents of every dollar received (the suggested spending norm is 5 cents on the dollar). Staff salaries, and advertising and promotion expenses were causing this overage. Tony was a strong advocate for fixing this discrepancy.

To achieve a more realistic balance between income and expenses, it was determined that we did not really need a full-time director or assistant – both were, at best, part-time positions, as much of the work for events was done by other departments, particularly Marketing, Dining, and Activities. SO...these two Foundation staff positions were eliminated.

Very unfortunately and sadly, Tony died unexpectedly in summer of 2023. With no dedicated leadership, the Foundation continued, with Madeline Freeman making immediate-need decisions and Julie Barnett receiving donation and handling the day-to-day operations of the Foundation. In March of 2024, I returned from a vacation and took on the challenging role of filling Tony's shoes as Chair of the Foundation Board of Directors.

Last year was a challenge, and the entire Foundation Board thanks you for your support. Our goal was to have a series of events reminding everyone that there IS a Laurel Lake Foundation, even without a fulltime staff person. Many of you jumped on the idea of our Spring Scavenger Hunt, and the "AugtoberFest" was lots of fun. Not only did we have the traditional "Tribute Trees" in December, but we had them in the fall, with trees full of colorful leaves honoring the tributes made by many, many donors.

The Annual Campaign started off with "Fall Tribute Trees" and colorful leaves.

Because of your generosity, the Foundation has funded a number of projects and programs to improve and enrich the lives of our residents:

Getting to Know the Board

Foundation

Board Members 2024

Liz Murphy, Chair

Julie Barnett

Sr. Mary Ann Golonka, HM

Ann Kirk

Amy McCarthy

Myrtle Muntz

Blake Rawson

Dr. Jennifer Stanley

Foundation Board Members: Liz Murphy, Chair, Ann Kirk, Amy McCarthy, Myrtle Muntz, and Julie Barnett.

purchased a new handicapped-accessible van, electric push-pad door openers at more heavily-used entrances, a Hoyer Lift, bladder scanner and shower chairs for Crown Center residents; purchased a new large-screen television and equipment for Serenity Chapel; funded the Seniors & Youth in Philanthropy program; funded regrading and replanting the front entrance; and funded the Dementia Virtual Tour training program so it could be expanded to include caregivers and family members of those with dementia.

This year the Foundation looks forward to a number of special events throughout the year – Kegs & Eggs on St. Patrick's Day, a special event in the Bistro on tax day, April 15th, perhaps an Easter Egg Hunt for Easter, followed by even more fun in the summer and fall.

Although I have been on the Foundation Board for more than 10 years, being the Chairman is a whole different role! David Oster was a lifesaver for me this past year, and I wish him the very best in the future. I, and the entire Laurel Lake Foundation Board, look forward to getting to know our new CEO, Tony Berardi, and getting him excited about our plans.

We will continue to follow the lead of our forward-thinking donors who have pledged their support for the last three decades. It is this positive energy and your continued generosity that will propel and inspire the Laurel Lake Community for tomorrow.

I, and the Foundation Board of Directors, are grateful for your commitment to perpetuate the good works of The Laurel Lake Foundation. Thank you for your support and your generosity.

Sincerely,

Liz Murphy

Chair, The Laurel Lake Foundation Board of Directors

Thank You to Our Foundation Sponsors

30TH *Annual Recognition Reception*

ACKNOWLEDGING YOUR CONTINUED SUPPORT

Guests at the 30th Annual Recognition Reception on December 5 enjoyed a selection of beverages and an array of delicious hors d'oeuvres prepared by Chef Eddie Mundy and his staff, and served by Laurel Lake Foundation Board members, Michael Bird, a member of the Operating Board, and senior managers. The highlight of the evening was to welcome new members of the Living Legacy Society and the Laurel Benefactors. Each one is a leader and a role model who inspires others through their consistent, dedicated support of The Laurel Lake Foundation. Over the years, more than 450 members of the Living Legacy Society and the Laurel Benefactors, have generously supported the programs and projects funded by the Foundation.

Liz Murphy, Foundation Board Chair, introduced John and Irene Fitzgerald, the newest members of the Living Legacy Society. The Laurel Benefactors welcomed 16 new members who were introduced by Foundation Board members Ann Kirk and Amy McCarthy.

The evening ended with guests joining Laurel Lake residents for the annual lighting of the Tribute Tree.

Giving is in her blood **Irene Fitzgerald's story**

Irene's parents were Polish and were placed in a displaced person's camp in Germany toward the end of WWII. That is where Irene was born. She and her parents arrived in Cleveland on Christmas Eve, 1948, with little more than the clothes they were wearing and the few items they could carry in a suitcase. They were welcomed with open hearts and outstretched arms by the Polish community in Tremont.

Irene has never forgotten the generosity and love her family received those years ago.

Irene's husband, John, also grew up in the Cleveland area. Their move to Laurel Lake from Brecksville in 2023 was only natural. They have a long relationship with our community: John's parents lived here for 10 years, and his cousin, Tony Fitzgerald, was the Foundation's Chairman.

John says he and Irene hope to live here at least 15 years more, so a major planned gift was a win-win situation for them – a tax advantage and the ability to support the Laurel Lake Foundation which does so much to improve the lives of all residents.
