

The excitement is building!

TOWN CENTER CAPITAL CAMPAIGN

Building A Stronger Community Together

Your support for this essential project will enable The Laurel Lake Foundation to continue to help address the emotional and physical needs of every Laurel Lake resident throughout life's transitions, with compassion and innovation.

Why is the Town Center Renovation so important? Just look at how residents will benefit...

- ✓ Building strength for daily living and combating age-related physical challenges in the new **Fitness Center**, which will have plenty of space to feature an expanded line of exercise equipment specifically designed for the diverse needs of Laurel Lake's resident population.
- ✓ Enjoying a fresh, "fast casual" dining experience in the newly constructed **Bistro** where residents can relax with friends and family for a cocktail and dinner, or coffee and something delightful to satisfy their sweet tooth.
- ✓ Indulging creativity, releasing one's "inner artist" and reaping the therapeutic benefits of art programs and classes in the never-before-available, *dedicated Arts & Crafts Studio!* Whether residents want to explore a new inspiration or rekindle a former passion—paint, draw, create!
- ✓ Improving posture, balance, and stamina while participating in group exercise programs in Laurel Lake's airy, spacious new **Aerobics Studio!** Enjoying workouts more in this private, dedicated space, large enough for 45 "on-the-move" individuals to exercise in comfort.

The
**LAUREL
LAKE**
Foundation

- ✓ Browsing the new merchandise and wider aisles of the newly constructed **Colony Shop**, sized to perfectly accommodate all types of personal mobility vehicles. Residents can snap up a quart of milk and a few necessities while right there!
- ✓ Entering and exiting our gorgeous new 60 foot **Exercise Pool** effortlessly when using the “zero entry” ramp. The new pool’s flexible design will easily accommodate lap swimmers, water aerobics classes, wheelchair aquatic therapy users, and fun family playtime when the kids and grandkids come to visit!
- ✓ Being pampered with a plethora of rejuvenating personal care services—manicures, pedicures, color, cut, style and more—in the luxurious, optimally-sized **Spa Salon**. Combine a Salon visit with an exercise routine and a relaxing therapeutic massage to look and feel one’s best!
- ✓ Tackling post-surgery and other physical challenges with a broadened scope of treatment options and greater privacy in the expanded **Therapy Center**. Residents will be able to reduce recovery time and increase their ability to rebuild and maintain muscle strength with an array of therapies using the latest equipment.
- ✓ Experiencing concerts, lectures, and social events in a whole new way when enjoyed in Laurel Lake’s expanded and enhanced **Community Room**! With greater seating capacity, comfortable new furnishings, updated lighting and audiovisual systems, and an attractive design, visits to Laurel Lake’s “cultural hub” will be more satisfying—for more residents—than ever before.

The Town Center Capital Campaign is a special opportunity to come together and stand with Laurel Lake Retirement Community — striving to offer the very best services and amenities for Laurel Lake residents, their families, and our dedicated employees!

Building a stronger community together!
